Following: line 8
Insert: "(2) If the department of military affairs is able to obtain 100% federal funding for the new readiness center at Miles City in [section 2], the federal special revenue fund appropriation for that project is increased up to \$14 million and the LRBP fund appropriation is reduced by up to \$2.48 million. The LRBP funds released from this project as a result of the additional federal funds must be transferred to the department of fish, wildlife, and parks capital projects account in the capital projects fund type and up to \$2.48 million of the transferred funds are appropriated for the fish, wildlife, and parks project, access Montana."

- END -

Explanation - This amendment adds language allowing the department of military affairs to use federal funds to build the new Readiness Center in Miles City, if the federal funds become available. If federal funds can be used for construction of the Readiness Center, then the LRBP funds appropriated in excess of the need will be transferred to the FWP capital projects fund and used for the Access Montana project.

NOTE: Replaces amendment #HB083067.acd
